819 S. Main St. - Office Building for Sale

Property Summary:

Finished in 2008, 819 S. Main St. is an eye-catching building along Main St., and is at the southern entry point of the stretch of Deforest's Main St. business corridor. Currently, building is owned and occupied by an accounting firm on the north side of the building (who will move out for the Buyer to occupy the unit), and a dentist office occupies the southern portion and has 8+ years left on their lease. Also with the property is roughly .46 acres of vacant land that could be developed into a ~4,000 sq. ft. building (specs pending). Monument sign at the driveway entry also adds attention. Great option for an owner occupant, and may be a good candidate for SBA financing. Also could be an excellent office investment opportunity.
