## BUILD-TO-SUIT PRIME REDEVELOPMENT OPPORTUNITY

The existing Clock Tower Office Park onsite will be redeveloped into a new two-building, Class A office complex with striking architecture, underground and surface parking, onsite fitness center and conference space, and prominent signage opportunities along Odana Road and the Beltline Highway. Rooftop terraces and outdoor greenspace will also be incorporated into the project. Close proximity to the countless restaurant and retail opportunities at West Towne Mall and along Odana Road. Although the site can be configured in many ways, an early conceptual plan shows 5-story, 122,000 SF and 3-story, 66,000 SF Class A office buildings.

The concept shows approximately 411 surface parking spaces, and 160 underground spaces below the office building, providing 3 stalls per 1,000 SF office space. One level of underground parking will be offered below each building.

The site offers a rare opportunity for a large corporate user to locate in an infill location with prime visibility and accessibility between two nearby Beltline Highway exits (Gammon Road and Whitney Way).
