When listing a property Wis. Admin. This is not a warranty of any kind by the owner or any agents representing any party in this transaction and is not a substitute for any inspections, testing or warranties the parties may wish to obtain. This is an optional disclosure report, not required by Wis. Stat. Ch. 709, that gives the business owner selling real estate and/or assets the opportunity to make disclosures and comment on the condition of the property.

NOTICE TO PARTIES REGARDING ADVICE OR INSPECTIONS

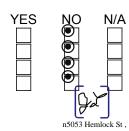

Real estate licensees may not provide advice or opinions concerning whether or not an item is a defect for the purposes of this report or concerning the legal rights or obligations of parties to a transaction. The parties may wish to obtain professional advice or inspections of the property and to include appropriate provisions in a contract between them with respect to any advice, inspections, defects, or warranties.
