EXECUTIVE
SUMMARY

EXECUTIVE SUMMARY

The building has been continuously occupied by Women's International Pharmacy, Inc. since April, 2002. The Pharmacy is a compounding pharmacy specializing in compounded bio-identical hormones, nationally known, and licensed to do business throughout the United States. Women's International Pharmacy changed ownership in March 2021 – the transaction was conducted via a stock sale, so the tenant remains unchanged. Belmar Pharma Solutions, an industry-leading and nationally known compounding pharmacy having a similar business model to that of Women's International Pharmacy sought to acquire this leading specialty pharmacy to expand its product lines.

There has been no major change to the layout of the building as reflected on the floor plan; however, some areas/rooms may have been repurposed.

INVESTMENT HIGHLIGHTS

GOOD LOCATION

Near I-90 and Hwy 18 in the strong industrial/flex submarket of Southeast Madison. Several other office, healthcare technology/manufacturing, and biotechnology companies are located in the immediate surrounding area. Close proximity to University of Wisconsin-Madison (with leading pharmacy, medical, biotechnology, engineering, and chemistry programs) offers access to strong talent pool.

SINGLE-TENANT, NET LEASE ASSET

Built-to-suit for tenant, who has been the sole occupant for over 20 years. A 12-month notice is required for renewal option. Tenant self-manages the facility and it is maintained to very high standards of condition and cleanliness.

MISSION CRITICAL FACILITY

This industry-leading specialty pharmacy is one of two in the country operated by the Tenant. Highly-educated staff (pharmacists, etc) would be difficult to relocate. This location generally covers the central and eastern part of the U.S. Having two separate facilities is critical to operations of the Tenant.

STRONG LOCAL MARKET

The Madison office/flex market remains strong. Office vacancy is 6%, industrial/flex vacancy is 3%, and lab/pharmacy space is essentially 0%. Current rent is substantially below market, offering future upside potential, and lower future retenanting risk.

FINANCIAL
OVERVIEW

FINANCIAL ANALYSIS

2 Marsh Court offers prospective buyers a steady investment opportunity. The following pages include underwriting assumptions, cash flow projections based on existing rents, the anticipated mark-to-market upside after the current tenant's lease expires, a comparison of existing versus market rents, and a lease expiration schedule. Historic financial statements, the existing lease, and other supporting documents are available upon request as part of due diligence materials.

UPSIDE POTENTIAL

As demonstrated in the cash flow pro forma, the Property has below-market rents. Upon expiration of the existing lease, Tenant has one additional 5-year renewal option at Fair Market Rent, allowing Landlord to adjust to market rents at the time, or sell or lease to another user at market pricing. Life science/lab users have expressed interest in the building, should it become available in the future.
