The Association shall be incorporated as a nonprofit corporation under the laws of the State of Wisconsin. The powers and duties of the Association shall include those set forth in the Association's articles of incorporation (the "Articles") and bylaws (the "Bylaws"), the Condominium Ownership Act, this Declaration and Chapter 181, Wisconsin Statutes (the "Wisconsin Nonstock Corporation Law"). All Unit Owners, tenants of Units and all other persons and entities that in any manner use the Property or any part thereof shall abide by and be subject to all of the provisions of all rules and regulations of the Association (collectively, the "Rules and Regulations"), this Declaration, the Articles and Bylaws. The Association shall have the exclusive right to promulgate, and to delegate the right to promulgate, the

Rules and Regulations from time to time and shall distribute to each Unit Owner, the updated version of such Rules and Regulations upon any amendment or modification to the Rules and Regulations. Any new rule or regulation or any revision to an existing rule and regulation shall become effective immediately upon distribution to the Unit Owners.

2. Declarant Control. Notwithstanding anything contained in this Declaration to the contrary, the Declarant shall totally govern the affairs of the Condominium and pay all expenses thereof until a Unit has been conveyed to any person other than the Declarant. The Declarant may exercise any rights granted to, or perform any obligations imposed upon, Declarant under this Declaration through its duly authorized agent. After a Unit has been conveyed to any person other than the Declarant, except as provided in Section 6.03, the Declarant shall have the right to appoint and remove the officers of the Association and to exercise any and all of the powers and responsibilities assigned to the Association and its officers by the Articles, Bylaws, the Condominium Ownership Act, this Declaration and the Wisconsin Nonstock Corporation Law from the date the first Unit of this Condominium is conveyed by the Declarant to any person other than Declarant, until the earliest of: (a) three (3) years from such date; or (b) thirty (30) days after the conveyance of seventy five percent (75%) of the Percentage Interests; or (c) thirty (30) days after the Declarant's election to waive its right of control.

3. Board of Directors. The affairs of the Association shall be governed by a board of directors (the "Board of Directors"). Within thirty (30) days after the conveyance of twenty five percent (25%) of the Percentage Interests to purchasers, the Association shall hold a meeting, and the Unit Owners other than the Declarant shall elect at least twenty five percent (25%) of the directors on the Board of Directors. Within thirty (30) days after the conveyance of fifty percent (50%) of the Percentage Interests to purchasers, the Association shall hold a meeting, and the Unit Owners other than the Declarant shall elect at least thirty three and one third percent (33 1/3%) of the directors on the Board of Directors.

4. Maintenance and Repairs.

(a) Common Elements. The Association shall be responsible for the management and control of the Common Elements and Limited Common Elements (except balconies) and shall maintain the same in good, clean and attractive order and repair. In addition, the Association shall be responsible for maintaining all Limited Common Elements (except balconies and rooftop patios), for snow plowing all sidewalks, driveways,

private streets or alleys, walkways, parking areas, the maintenance, repair and replacement of all outdoor amenities, including lawns, landscaping, sidewalks, bicycle paths, driveways and common exterior entrances. The Association shall be responsible for replacing when necessary any Common Elements and Limited Common Elements.

(b) Units. Each Unit Owner shall be responsible for the maintenance, repair, and replacement of all other improvements constructed within the Unit (including the electrical, heating and air conditioning systems serving such Unit, and including any ducts, vents, wires, cables or conduits designed or used in connection with such electrical, heating or air conditioning systems), and for the maintenance (but not the repair or replacement) of balconies or rooftop patios, if any, appurtenant to the Unit, except to the extent any repair cost for any of the foregoing is paid by the Association's insurance policy described in Section 8.01. Each Unit shall at all times be kept in good condition and repair. If any Unit or portion of a Unit for which a Unit Owner is responsible falls into disrepair so as to create a dangerous, unsafe, unsightly or unattractive condition, or a condition that results in damage to the Common Elements, the Association, upon fifteen (15) days' prior written notice to the Unit Owners of such Unit, shall have the right to correct such condition or to restore the Unit to its condition existing prior to the disrepair, or the damage or destruction if such was the cause of the disrepair, and to enter into such Unit for the purpose of doing so, and the Unit Owners of such Unit shall promptly reimburse the Association for the cost thereof. All amounts due for such work shall be paid within ten (10) days after receipt of written demand therefor, or the amounts may, at the option of the Association, be levied against the Unit as a Special Assessment under Section 6.07.

(c) Damage Caused by Unit Owners. To the extent (i) any cleaning, maintenance, repair or replacement of all or any part of any Common Elements or the Unit is required as a result of the negligent, reckless or intentional act or omission of any Unit Owner, tenant or occupant of a Unit, or (ii) any cleaning, maintenance, repair, replacement or restoration of all or any part of any Common Element or the Unit is required as a result of an alteration to a Unit by any Unit Owner, tenant or occupant of a Unit, or the removal of any such alteration (regardless of whether the alteration was approved by the Association or any committee thereof) or (iii) the Association is required to restore the Common Elements or the Unit following any alteration of a Common Element or Limited Common Element required by this Declaration, or the removal of any such alteration, the Unit Owner that committed the act or omission or that caused the alteration, or the Unit Owners of the Unit occupied by such tenant or

occupant or responsible for such guest, contractor, agent or invitee, shall pay the cost of such cleaning, maintenance, repair, replacement and restoration.

5. Common Expenses. Any and all expenses incurred by the Association in connection with the management of the condominium, maintenance of the Common Elements and other areas described in Section 6.04 and administration of the Association shall be deemed to be common expenses (the "Common Expenses"), including, without limitation, expenses incurred for: landscaping and lawn care; snow shoveling and plowing; improvements to the Common Elements; common grounds security lighting; municipal utility services provided to the Common Elements; trash collection; and maintenance and management fee.

6. General Assessments. The Association shall levy monthly general assessments (the "General Assessments") against the Unit Owners for the purpose of maintaining a fund from which Common Expenses (other than those that are the subject of Special Assessments) may be paid. The General Assessments against the Unit Owners shall be assessed in proportion to their Percentage Interests, except that until occupancy permits have been issued for all Units, the General Assessments for insurance premiums shall be levied evenly against all Units for which occupancy permits have been issued. General Assessments shall be due in advance on the first day of each month, or in such other manner as the Association may set forth in the Bylaws. Any General Assessment not paid when due shall bear interest until paid, as set forth in the Bylaws and, together with interest, collection costs, and reasonable attorneys' fees, shall constitute a lien on the Unit on which it is assessed if a statement of condominium lien is filed within two (2) years after the assessment becomes due as provided in the Condominium Ownership Act. Notwithstanding the foregoing, Units owned by Declarant for which occupancy permits have not been issued shall not be subject to General Assessments. If, however, during the period of Declarant control the General Assessments against any Unit not owned by Declarant would exceed the amount set forth in the budget per Unit (excluding any portion of General Assessments to fund reserves), Declarant shall either: (a) record a document to cause its Units to be subject to General Assessments; or (b) pay to the Association the amount necessary to cause the General Assessments against the Unit not owned by Declarant to be reduced to the amount set forth in the budget per Unit (excluding any portion of General Assessments used to fund reserves).

7. Special Assessments.

(a) General. The Association may, whenever necessary or appropriate, levy special assessments (the "Special Assessment(s)") against the Unit Owners, or any of them, for deficiencies in the case of destruction or condemnation as set forth in Section 9.05 and Section 10.05; for defraying the cost of improvements to the Common Elements; for the collection of monies owed to the Association under any provision of this Declaration, including, without limitation, Section 6.04 and Article XIII, or for any other purpose for which the Association may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Condominium.

(b) Improvements that Benefit Only One Class of Units. Following completion of initial construction of the Condominium, the Association may, with the written consent or signed petition of the Residential Unit Owner or Commercial Unit Owner holding at least fifty-one percent (51%) of the votes appurtenant to the Residential Unit or the Commercial Unit, respectively, levy Special Assessments against the Residential Unit or the Commercial Unit for the purpose of:

a. making improvements that benefit only the Residential Unit Owner as a class or only the Commercial Unit Owner as a class, and for the purpose of

ii. maintaining a fund to insure, maintain or manage any improvements made under (i), above.

In either case described in (i) or (ii), the Special Assessments shall be levied equally against all of the Units within such class and shall not be levied against any of the Units in the class not benefited without the consent of the Unit Owners in such class who hold 51% of the votes appurtenant to such class.

EXAMPLE: If the Residential Unit Owner holding 51% of the votes appurtenant to the Residential Unit consent to upgraded wall art in the common hallways and lobbies serving the Residential Unit exclusively, then the Association may levy Special Assessments against the Residential Unit Owner to maintain a fund to pay for insuring the upgraded wall art. The Commercial Unit shall not be subject to such Special Assessments without the consent of those Commercial Unit Owner holding 51% of the votes appurtenant to the Commercial Unit.

(c) Collection. Special Assessments shall be paid at such time and in such manner as the Association may determine. Any Special Assessment or installment not paid when due shall bear interest until paid, as set forth in the Bylaws and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Unit on which it is assessed if a statement of condominium lien is filed within two (2) years after the Special Assessment becomes due as provided in the Condominium Ownership Act.

8. Common Surpluses. In the event that the surpluses of the Association (the "Common Surpluses") should be accumulated, other than surpluses in any construction fund as described in Section 9.06 and Section 10.06, such Common Surpluses may be credited against the Unit Owners' General Assessments in proportion to their respective Percentage Interests or may be used for any other purpose as the Association may determine.

9. Certificate of Status. The Association shall, upon the written request of an owner, purchaser or Mortgagee of a Unit, issue a certificate of status of lien. Any such party may conclusively rely on the information set forth in such certificate.

10. Management Services. The Association shall have the right to enter into a management contract with a manager selected by the Association (the "Manager") under which services may be provided to the Unit Owners. The management contract shall be subject to termination by the Association under Section 703.35 of the Wisconsin Statutes.

11. Utilities and Real Estate Taxes. Each Unit Owner shall be responsible for and must pay real estate and personal property taxes and special assessments assessed or levied against the Unit. Each Unit Owner shall also be responsible for the costs of all utilities used or consumed within each Unit, including, without limitation, all electric, gas, water, sewer service, and all telephone, cable, data and similar services provided to each Unit, which shall be separately metered and billed directly by the provider to the Unit Owner.

ARTICLE VII ALTERATIONS AND USE RESTRICTIONS

1. Unit Alterations.

(a) A Unit Owner may make improvements and alterations

within its Unit; provided, however, that such improvements or alterations shall not (1) impair the structural soundness or integrity or lessen the structural support of any portion of the Condominium, (2) does not impair any easement, or (3) affect in any way the horizontal and vertical sound control measures in place as constructed. A Unit Owner may not change the dimensions of or the exterior appearance of a Unit or any portion of the Common Elements without obtaining the prior written permission of the Association, which permission may be denied in the sole discretion of the Association. Any approved improvement or alteration which changes the exterior dimensions of a Unit must be evidenced by recording a modification to this Declaration and the Condominium Plat before it shall be effective and must comply with the then applicable legal requirements for such amendment or addendum. Furthermore, any approved improvements or alterations must be accomplished in accordance with applicable laws and regulations, must not unreasonably interfere with the use and enjoyment of the other Units and the Common Elements, and must not be in violation of any underlying mortgage, land contract or similar security interest.

(b) A Unit Owner acquiring an adjoining part of another Unit may remove all or any part of the intervening partition wall or create doorways or other apertures therein. This may be done even if the partition wall may, in whole or in part, be a Common Element, provided that those acts do not impair the structural integrity or lessen the support of any portion of the Condominium, do not reduce the value of the Condominium, and do not impair any easement. The creation of doorways or other apertures is not deemed an alteration of boundaries.

2. Relocation of Boundaries.

(a) If the Unit Owners of adjoining Units desire to relocate their mutual boundary, the affected Unit Owners shall prepare and execute appropriate instruments.

(b) An amendment to the Declaration and an addendum to the Condominium Plat shall identify the Units and shall state that the boundaries between those Units are being relocated by agreement of the Unit Owners thereof. The amendment shall contain words of conveyance between those Unit Owners, and when recorded shall also be indexed in the name of the grantor and grantee, if applicable. If not stated, the prior allocation shall govern, until such time as the Unit Owners shall record an amendment to that effect with the Dane County Register of Deeds.

(c) Plats and plans showing the altered boundaries and the dimensions thereof between adjoining Units, and their identifying numbers or letters, shall be prepared. The plats and plans shall be certified as to their accuracy in compliance with Subsection 703.13(6) of the Wisconsin Statutes, by civil engineer, architect, or licensed land surveyor authorized to practice his or her profession in the State of Wisconsin.

(d) No boundaries of any Units may be relocated without the written consent of the Mortgagees of the Units affected.

(e) After appropriate instruments have been prepared and executed, those instruments shall become effective when the adjoining Unit Owners and the Association have executed them and they have been recorded with the Dane County Register of Deeds. The recording thereof shall be conclusive evidence that the relocation of boundaries did not violate the Condominium documents.

3. Separation of Units.

(a) A Commercial Unit may be separated into two (2) or more Units upon compliance with the provisions of this Section, provided that the Association approves the separation of such Unit (which approval may be denied in the sole discretion of the Association). The Association's President, upon written application of a Unit Owner proposing the separation of a Unit (the "Separator") and after thirty (30) days' written notice to all of the Unit Owners shall promptly present the matter to the Board of Directors. If approved, the President of the Association shall promptly prepare and execute appropriate instruments under this Section.

An amendment to this Declaration and an addendum to the Condominium Plat shall assign a new identifying number to each new Unit created by the separation of a Unit, shall allocate to those Units, on a reasonable basis acceptable to the Separator and the other Unit Owners, all of the Percentage Interest and right to use the applicable Limited Common Elements. The vote in the Association formerly appertaining to the separated Unit will be allocated among the resulting Units. For this purpose, a fractional vote shall be permitted. The amendment shall reflect a proportionate allocation to the new Unit(s) of the liability for Common Expenses and right to Common Surpluses formally appertaining to the separated Unit.

(b) Plats and plans showing the boundaries and dimensions separating the new Units together with their other boundaries and their new identifying numbers or letters shall be prepared. The plats and plans shall be certified as to their accuracy and compliance with Subsection 703.13(7), Wisconsin Statutes, by a civil engineer, architect, or licensed land surveyor authorized to practice his or her profession in the State of Wisconsin.

(c) No Unit may be separated without the written consent of the Mortgagees of the Unit.

(d) After appropriate instruments have been prepared and executed, they shall be delivered promptly to the Separator upon payment by it of all reasonable costs for their preparation. Those instruments are effective when the Association, the Separator and the new Unit Owners have executed them and they are recorded with the Dane County Register of Deeds. The recording of the instruments shall be conclusive evidence that the separation did not violate any restrictions or limitations specified by this Declaration and that any reallocations were reasonable.

(e) Separation of Residential Unit shall be allowed.

4. Expenses. All expenses involved in any improvements, alterations boundary changes or Unit separations approved by the Association or permitted under this Article, whether or not completed, including all expenses to the Association, shall be borne by the Unit Owner or Unit Owners involved and may be charged as a Special Assessment to the affected Units in accordance with Section 6.07.

5. Use and Restrictions on Use of Unit.

(a) Commercial Unit. The Commercial Unit shall be used only for legal uses and in compliance with all Municipal ordinances.

(b) Live/Work Units. Each Live/Work Unit shall be used for Commercial and Residential use. A commercial/office area must be dedicated on the first floor of each Live/Work unit. Restrictions for uses are provided by the Authority having Jurisdiction and applicable Municipal Zoning Codes, however, the following uses are prohibited:

- 1: Wholesale and retail sales and storage of flammable and combustible liquids
- 2: Cleaning establishments that utilize combustible liquid solvents having a flash point of 140°F (60°C) or higher
- 3: Liquor stores and distributors
- 4: The storage or utilization of materials for agricultural purposes on the premises.
- 5: Corrosive personal or household products in their original packaging used in retail display.
- 6: Commonly used corrosive building materials.
- 7: The storage of black powder, smokeless propellant and small arms primers

Proposed use of a Live/Work unit must be reviewed by the Association Board for compliance with these restrictions. This review applies in the event of a change of use with a current owner or sale or other conveyance of a Live/Work unit. Association Board shall not withhold an approval of sale, transfer, or change of use if the proposed use complies with the Condominium Declaration and amendments and requirements as prescribed by the City of Monona. All reviews are to be made by the requestor to the Board in writing and reviewed within 5 business days by the Board and a written response of approval or denial issued to the requestor.

(c) Residential Unit. The Residential Unit consists of 29 rental apartments and shall be used for residential purposes and for no other purpose unless otherwise authorized by the Association prior to the commencement of such use. The Residential Unit shall be deemed to be used for "Rental residential purposes" if it is occupied by no more than one family (defined to include persons related by birth, marriage or legal adoption) plus no more than two unrelated persons. No business, whether or not for profit, including, without limitation, any day care center, animal boarding business, products distributorship, manufacturing facility, sales office or professional practice, may be conducted from any Residential Unit. The foregoing restrictions as to residence and use shall not, however, be construed in such a manner as to prohibit a renter from:

i.maintaining his or her personal professional library in his or her leased space;

ii.keeping his or her personal business or professional records or accounts in his or her leased space;

iii.handling his or her personal or business records or accounts in his or her leased space; or

iv.handling his or her personal business or professional telephone calls or correspondence from his or her leased space.

Nothing in this Section 7.05(a) shall authorize the maintaining of an office within a leased space at which customers or clients customarily call and the same is prohibited.

6. Nuisances. No nuisances shall be allowed upon the Property, nor any use or practice that is unlawful or interferes with the peaceful possession and proper use of the Condominium by the Unit Owners or that would cause an increase in the premiums for insurance required to be maintained by the Association under Section 8.01. All parts of the Condominium shall be kept in a clean and sanitary condition, and no fire or other hazard shall be allowed to exist. No Unit Owner shall permit any use of its Unit or of the Common Elements that increases the cost of insuring the Condominium.

7. Lease of Units. Each Commercial, Live/Work, or Residential Unit, or any part thereof, may be rented by written lease or short term agreement, provided that:

(a) in the case of a Live/Work Unit, the lease or agreement contains a statement obligating all users to abide by this Declaration, the Articles, the Bylaws and the Rules and Regulations, any requirements or fees as designated by the Property Manager, and as providing that the lease or agreement is subject and subordinate to the same; and

(b) in the case of a Live/Work Unit, the lease or agreement provides that any default arising out of the user's failure to abide by the Declaration, the Articles, the Bylaws and the Rules and Regulations shall be enforceable by the Association as a third-party beneficiary to the lease or agreement and that the Association shall have, in addition to all rights and remedies provided under the Declaration, the Articles, the Bylaws and the Rules and Regulations, the right to evict the user and/or terminate the lease or agreement should any such violation continue for a period of ten (10) days following delivery of written notice to the tenant specifying the violation.

(c) in the case of a Live/Work Unit, the lease or agreement complies with related requirements delegated to County or Local authorities

The Association may withhold approval of any lease upon any reasonable basis, including, but not limited to: the failure of the lease terms to comply with all provisions of this Declaration, the Articles, the Bylaws and the Rules and Regulations; the past failure of the tenant or its guests to abide by all provisions of this Declaration, the Articles, the Bylaws and the Rules and Regulations; and the past use by the tenant or its invitees or guests of any part of the Condominium in a manner offensive or objectionable to the Association or other occupants of the Condominium by reason of noise, odors, vibrations, or nuisance. During the term of any lease or agreement of all or any part of a Unit, each Unit Owner of such Unit shall remain liable for the compliance of the Unit, such Unit Owner and all tenants of the Unit with all provisions of this Declaration, the Bylaws and the Rules and Regulations of the Association, and shall be responsible for securing such compliance from the tenants of the Unit. The Association may require that a copy of each lease of all or any part of a Unit be filed with the Association. The restrictions against leasing contained in this Section 7.07 shall not apply to leases of Commercial Units, leases of the Units by the

Declarant, leases of the Units to the Association, or leases of individual apartments contained in the Residential Unit.

8. Signs. No sign of any kind shall be displayed to the public view on any Unit without the written consent of the Association and, if Declarant owns at least one Unit, the Declarant. The Declarant reserves the right to erect signs, gates or other entryway features surrounded with landscaping at the entrances to the Condominium and to erect appropriate signage for the sales of Units.

9. Garbage and Refuse Disposal. No Unit shall be used or maintained as a dumping ground for rubbish, trash, garbage or waste. All clippings, rocks or earth must be in containers.

10. Storage. Outdoor storage of personal property shall not be permitted. No firewood or wood pile shall be kept outside a structure unless it is neatly stacked and screened from street view.

11. Pets are permitted in accordance with the current applicable Rules and Regulations.

12. Landscaping. Unit Owners may not plant any decorative plants, vegetables and shrubbery outside of their Unit without the prior written consent of the Association.

ARTICLE VIII INSURANCE

1. Fire and Extended Loss Insurance. The Board of Directors shall, obtain and maintain fire, casualty, and special form insurance coverage for the Units, the Common Elements and for the Association's service equipment, supplies and personal property. Insurance coverage for the Units and Common Elements shall be reviewed and adjusted by the Board of Directors from time to time to ensure that the required coverage is at all times provided. The insurance, if any, maintained by the Association shall be written on the Condominium's Units and Common Elements in the name of the Association as insurance trustee for the individual Unit Owners in their respective Percentage Interests, and may list each Unit Owner as an additional insured with respect to its Unit. The policy shall contain the standard mortgagee clause, which shall be endorsed to provide that any proceeds shall be paid to the Association, as insurance trustee, for the use and benefit of any Mortgagee as its interest may appear. All premiums for

such insurance shall be Common Expenses. In the event of damage to or destruction of all or part of the Condominium insured hereunder, the proceeds of the insurance shall be paid to the Association, as insurance trustee, for the Unit Owners and the Mortgagees and distributed as provided in Article IX.

2. Public Liability Insurance. The Board of Directors shall obtain and maintain a comprehensive liability insurance policy insuring the Association, its officers, directors, and the Unit Owners against any liability arising out of the maintenance, repair, ownership, or use of the Common Elements. Liability coverage shall be for at least \$1,000,000 per occurrence for personal injury and/or property damage or such higher limit as may be adopted from time to time by the Association to comport with the prevailing commercial practice. The insurance coverage shall be written on the Condominium in the name of the Association as insurance trustee for the Association, its directors and officers, and for the individual Unit Owners in their respective Percentage Interests. Such insurance policy shall contain a "severability of interest" or cross-liability endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of the negligent acts of the Association or other Unit Owners. All premiums for such insurance shall be Common Expenses. Each Unit Owner shall have the right to insure its own Unit for personal benefit.

3. Fidelity Insurance. Subsequent to the sale by Declarant of the first Unit, the Association shall require or maintain fidelity coverage against dishonest acts by any person responsible for handling the funds belonging to or administered by the Association. The Association shall be named insured and the insurance shall be in an amount of not less than fifty percent (50%) of the Association's annual operating expenses and reserves. All premiums for such insurance shall be Common Expenses.

4. Directors' and Officers' Insurance. The Association shall require or maintain insurance on behalf of any person who is or was a director or officer of the Association against liability asserted against or incurred by him or her in any such capacity or arising out of his or her status as such. Such coverage shall be in the minimum amount of at least \$1,000,000, or such higher minimum amounts as are needed in the discretion of the Association to comport with the prevailing commercial practice

5. Unit Owners' Insurance. Each Unit Owner shall insure all of its own personal property (whether or not such personal property is stored within the Unit owned by such Unit Owner or any Common Element or Limited Common Element) and any insurable portion of the Unit not covered by the

Association's insurance as specified herein, and shall also maintain in effect at all times a comprehensive homeowner's liability policy. Each such policy shall name the Association as an additional insured. The homeowner's liability policy shall provide for coverage in the minimum amount of at least \$500,000 per occurrence for personal injury and/or property damage or such higher minimum as is needed in the discretion of the Association to comport with the prevailing commercial practice. Nothing shall prohibit Unit Owners from maintaining insurance with limits in excess of those maintained by the Association or with additional insured risks; provided, however, that each Unit Owner's own property insurance coverage shall be excess coverage only and the insurance obtained by the Association, as required under Section 8.01, shall at all times be primary coverage. Unit Owners are encouraged to submit copies of the disclosure materials for the Condominium to their insurance carriers in order to ensure adequate property and liability coverages.

6. Mutual Waiver of Subrogation. Nothing in this Declaration shall be construed so as to authorize or permit any insurer of the Association or a Unit Owner to be subrogated to any right of the Association or a Unit Owner arising under this Declaration. The Association and each Unit Owner hereby release each other to the extent of any perils to be insured against by either of such parties under the terms of this Declaration or the Bylaws, whether or not such insurance has actually been secured, and to the extent of their respective insurance coverage for any loss or damage caused by any such casualty, even if such incidents shall be brought about by the fault or negligence of either party for whose acts, omissions or negligence the other party is responsible. All insurance policies to be provided under this Article by either the Association or a Unit Owner shall contain a provision that they are not invalidated by the foregoing waiver. Such waiver shall, however, cease to be effective if the existence thereof precludes either the Association or a Unit Owner from obtaining such policy.

7. Standards for All Insurance Policies. All insurance policies provided under this Article VIII shall be written by companies duly qualified to do business in the State of Wisconsin, with a general policyholder's rating of at least "A" and a financial rating of at least Class VII, as rated in the latest edition of Best's Key Rating Guide, unless the Board of Directors determines by unanimous vote or unanimous written consent that any policy may be issued by a company having a different rating.

ARTICLE IX
RECONSTRUCTION, REPAIR OR SALE IN
THE EVENT OF DAMAGE OR DESTRUCTION

1. Determination to Reconstruct or Repair. If all or any part of the Common Elements (including the Limited Common Elements) become damaged or are destroyed by any cause, the damaged Common Elements shall be repaired or reconstructed except as otherwise provided in this Section 9.01.

(a) Damage Less Than Five Percent of Replacement Cost. If the cost to repair or reconstruct the damaged portion of the Condominium is less than five percent (5%) of the replacement cost of all improvements constituting the Condominium, the damaged portion of the Condominium shall be repaired or reconstructed even if the cost of such repair or reconstruction exceeds the available insurance proceeds. Acceptance by a Unit Owner of a deed to a Unit shall be deemed to be consent to the authorization to the Association to repair or reconstruct, as may in the future be needed from time to time, up to such stated dollar amount. If such authorization is challenged, whether through action taken at a meeting of the Unit Owners or otherwise, the issue of whether to repair or reconstruct shall be put to a vote of all of the Unit Owners entitled to vote, and such repair or reconstruction shall be deemed approved if all votes appurtenant to any one (1) Unit are cast in favor of such repair or reconstruction.

(b) Damage Equal To or Greater Than Five Percent of Replacement Cost; Insurance Available. If the cost to repair or reconstruct the damaged portion of the Condominium is equal to or greater than five percent (5%) of the replacement cost of all improvements constituting the Condominium, and the insurance proceeds plus five percent (5%) of the replacement cost of all improvements constituting the Condominium are sufficient to complete such repair or reconstruction, the damaged portion of the Condominium shall be repaired or reconstructed even if the cost of such repair or reconstruction exceeds the available insurance proceeds. Acceptance by a Unit Owner of a deed to a Unit shall be deemed to be consent to the authorization of the Association to repair or reconstruct, as may in the future be needed from time to time, up to the amount of the available insurance proceeds plus five percent (5%) of the replacement cost of all improvements constituting the Condominium. If such authorization is challenged, whether through action taken at a meeting of the Unit Owners or otherwise, the issue of whether to repair or reconstruct shall be put to a vote of all of the Unit Owners entitled to vote, and such repair or

reconstruction shall be deemed approved if all votes appurtenant to any one (1) Unit are cast in favor of such repair or reconstruction.

(c) Damage Equal to or Greater Than Five Percent of Replacement Cost; Insurance Not Available. If the cost to repair or reconstruct the damaged portion of the Condominium is equal to or greater than five percent (5%) of the replacement cost of all improvements constituting the Condominium and insurance proceeds plus five percent (5%) of the replacement cost of all improvements constituting the Condominium are insufficient to complete such repair or reconstruction, the damaged portion of the Condominium shall be repaired or reconstructed unless within thirty (30) days of the date the Association receives repair or reconstruction estimates, the Unit Owners having seventy-five percent (75%) or more of the votes consent in writing to not repair or reconstruct the damaged portion of the Condominium. Delivery of such written consent under the circumstances described in this Section 9.01(c) shall be deemed to be consent to subject the Condominium to an action for partition.

2. Plans and Specifications. Any reconstruction or repair shall, as far as is practicable, be made in accordance with the maps, plans, and specifications used in the original construction of the Condominium, unless (1) a majority of the first Mortgagees (one vote per mortgaged Unit) approve of the variance from such plans and specifications; and (2) the Board of Directors authorizes the variance in the case of reconstruction of or repair to the Condominium. If a variance is authorized from the maps, plans, and specifications contained in the Condominium Plat or this Declaration, an amendment shall be recorded by the Association setting forth such authorized variance.

3. Responsibility for Repair. In all cases after a casualty has occurred to the Condominium (except as otherwise provided in Section 9.01), the Association has the responsibility of reconstruction and repair, and immediately shall obtain reliable and detailed estimates of the cost to rebuild or repair.

4. Insurance Proceeds and Construction Fund. Insurance proceeds held by the Association as trustee pursuant to Section 8.01 shall be disbursed by the Association for the repair or reconstruction of the damaged portion of the Condominium and Units. Unit Owners and Mortgagees shall not be entitled to receive payment of any portion of the insurance proceeds unless there is a surplus of insurance proceeds after the damaged portion of the

Condominium has been completely restored or repaired as set forth in Section 9.06.

5. Assessments For Deficiencies. If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair by the Association, a Special Assessment shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such assessments on account of damage to the Condominium shall be in proportion to each Unit Owner's Percentage Interest. All assessed funds shall be held and disbursed by the Association as trustee for the Unit Owners and Mortgagees involved.

6. Surplus in Construction Funds. All insurance proceeds and Special Assessments held by the Association as trustee for the purpose of rebuilding or reconstructing any damage to the Units, Common Elements or any Property taken by eminent domain are referred to herein as "Construction Funds." It shall be presumed that the first monies disbursed in payment of costs of reconstruction or repair are insurance proceeds. If there is a balance in the Construction Funds after payment of all costs of reconstruction or repair, such balance shall be divided among the Unit Owners according to their respective Percentage Interests.

ARTICLE X CONDEMNATION

1. Allocation of Award. Any damages for a taking of all or part of the Condominium shall be awarded as follows:

(a) Every Unit Owner shall be allocated the entire award for the taking of all or part of the respective Unit or any equipment, fixtures or improvements located therein and for consequential damages to the Unit or any equipment, fixtures or improvements located therein.

(b) If no reconstruction is undertaken, any award for the taking of Common Elements shall be allocated to all Unit Owners in proportion to their respective Percentage Interests.

2. Determination to Reconstruct Condominium. Following the taking of any part of the Condominium, then, if the Association determines that

the Condominium can be restored to a usable whole, the Condominium shall be restored or reconstructed.

3. Plans and Specifications for Condominium. Any reconstruction shall, as far as is practicable, be made in accordance with the maps, plans and specifications used in the original construction of the portion unless seventy five percent (75%) of the Unit Owners and a majority of the first Mortgagees (one vote per mortgaged Unit) shall authorize a variance from such plans and specifications. In the event that a variance is authorized from the maps, plans or specifications contained in the Condominium Plat or this Declaration, an amendment shall be recorded by the Association setting forth such authorized variances.

4. Responsibility for Reconstruction. In all cases after a taking of all or part of the Condominium, the responsibility for restoration and reconstruction shall be that of the Association and it shall immediately obtain reliable and detailed estimates of the cost to rebuild.

5. Assessments for Deficiencies. If the condemnation award for the taking of the Common Elements is not sufficient to defray the costs of reconstruction by the Association, Special Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Special Assessments shall be in proportion to each Unit Owner's respective Percentage Interest and shall constitute a Common Expense.

6. Surplus in Construction Fund. It shall be presumed that the first monies disbursed in payment of costs of reconstruction or restoration shall be from the award for taking. If there is a surplus of Construction Funds after payment of all costs of construction, such balance shall be divided among all Unit Owners in proportion to their respective Percentage Interests.

7. Percentage Interests Following Taking. Following the taking of all or any part of any Unit, the Percentage Interest appurtenant to any Unit shall be equitably adjusted to reflect the respective relative values of the remaining Units (or portions thereof) to all of the Units, determined without regard to the value of any improvements located within the Units other than those that were part of the Unit as originally constructed. The Association shall promptly prepare and record an amendment to the Declaration reflecting the new Percentage Interests appurtenant to the Units.

8. Partition and Sale Upon Consent. If following damage or destruction described in Section 9.01(c), the Unit Owners having Seventy-Five Percent (75%) or more of the votes consent to subject the Condominium to an action for partition, the Association shall record with the office of the Register of Deeds for Dane County, Wisconsin, a notice setting forth such facts, and upon the recording of such notice, the Condominium shall be subject to an action for partition, in which event the net proceeds of sale together with any amounts held by the Association as Construction Funds shall be considered as one (1) fund and shall be divided among the Unit Owners according to their respective Percentage Interests.

ARTICLE XI MORTGAGEES

1. Notice. Any holder of a recorded mortgage or any vendor under a recorded land contract encumbering a Unit (a "Mortgagee") or any guarantor of a recorded mortgage or land contract encumbering a Unit that has so requested of the Association in writing received by the Association's agent for service of process shall be entitled to receive timely written notice of the following matters:

(a) The call of any meeting of the membership of the Association or the Board of Directors to be held for the purpose of considering any proposed amendment to this Declaration, the Articles or the Bylaws;

(b) Any default under, any failure to comply with, or any violation of, any of the provisions of this Declaration, the Articles or Bylaws or the Rules and Regulations by the Unit Owner whose Unit is subject to the mortgage or land contract;

(c) Any physical damage to the Common Elements in an amount exceeding Five Percent (5%) of their replacement value;

(d) Any condemnation or casualty loss that affects either a material portion of the Condominium or the Unit securing the mortgage or land contract;

(e) Any sixty (60)-day delinquency in the payment of any charges and assessments owed under Article IX above by the owner of any Unit securing the mortgage or land contract;

(f) A lapse, cancellation, or material modification of any insurance policy maintained by the Association or under the land contract; and

Any proposed action that requires the consent of a specified percentage of Mortgagees.

2. Amendment of Provisions Affecting Mortgagees. Notwithstanding the provisions of Article XII of this Declaration, neither Section 11.01 nor any Section of this Declaration requiring the approval of any Mortgagee to any action shall be amended unless all Mortgagees have given their prior written approval. The Mortgagees of at least Fifty-one Percent (51%) of the mortgaged Units must consent to an amendment that is materially adverse to the Mortgagees' interests. If a Mortgagee does not respond within sixty (60) days after receipt of proper notice of any written proposal to amend this Declaration, such amendment shall be deemed approved by that Mortgagee, provided such notice was delivered to the Mortgagee by certified or registered mail with a "return receipt" requested.
3. Owners of Unmortgaged Units. Except as otherwise set forth in Section 11.02 above, whenever any provision contained in this Declaration requires the consent or approval (whether by vote or in writing) of a stated number or percentage of Mortgagees to any decision, each Unit Owner of any unmortgaged Unit shall be considered a "Mortgagee" as well as a "Unit Owner" for purposes of such provision.
4. Condominium Liens. Any Mortgagee who obtains title to a Unit under the remedies provided in the mortgage or land contract against the Unit or through foreclosure shall not be liable for more than six (6) months of the Unit's unpaid dues and assessments accrued before the date on which the holder acquired title.

ARTICLE XII AMENDMENT

Except as otherwise provided by the Condominium Ownership Act, or as otherwise provided in this Declaration, this Declaration may be amended with the written consent of not less than the number of Unit Owners who together hold at least two-thirds (2/3) of the total voting interests held by all Unit Owners. No Unit Owner's consent shall be effective without the consent of the first mortgagee of such Unit. So long as the Declarant owns any Unit, the consent in writing of the Declarant, its successors or assigns, shall also be required. No amendment shall alter or abrogate the rights of Declarant as contained in this Declaration. No amendment shall adversely affect the use and enjoyment of any Commercial Unit without the written consent of all Unit Owners of the Commercial Units and their Mortgagees. Copies of amendments shall be certified by the president and secretary of the Association in a form suitable for recording. A copy of the

amendment shall be recorded with the Register of Deeds for Dane County, and a copy of the amendment shall also be mailed or personally delivered to each Unit Owner at its address on file with the Association. Until the initial conveyance of all Units, this Declaration may be amended by the Declarant alone for purposes of clarification and correction of errors and omissions.

ARTICLE XIII REMEDIES

The Association shall have the sole right to enforce the provisions hereof or any of its orders by proceedings at law or in equity against any person or persons violating or attempting to violate any provision of the Declaration, either to restrain or cure the violation or to recover damages, or both, for a period which shall include thirty (30) days from the date of the filing with the Association of a petition by any person who shall be a Unit Owner subject to this Declaration on the date of the filing, petitioning the Association to redress the violation or attempted violation of any of the provisions of this Declaration by any other persons. Liability among multiple owners of a Unit shall be joint and several. (Nothing herein shall be deemed to limit the rights of the City of Monona or the County of Dane to enforce any zoning codes, ordinances, regulations or other requirements which may be identical or similar to the requirements of this Declaration.) Such period of thirty (30) days shall be considered to be a period for the consideration of the petition by the Association and in the event the Association denies or fails to act upon the petition to the satisfaction of the petitioner within the thirty (30) day period, thereafter petitioner shall have the right to enforce the provisions hereof (except for the collection of charges and assessments under Article VI), to the extent that he or she shall so have petitioned, by proceedings at law or in equity against any person or persons violating or attempting to violate the provisions of this Declaration, either to restrain the violation or to recover damages, or both, provided, however, that any such person shall be a Unit Owner and commence such proceedings against such other person or persons within a period of sixty (60) days from (i) the date of the Association's denial of such petition, or (ii) the passage of the aforementioned thirty (30) day period for consideration of the petition by the Association. The Association or the petitioning Unit Owner(s), as the case may be, shall have the right to recover court costs and reasonable attorneys' fees in any successful action brought against another Unit Owner to enforce, or recover damages for a violation of, this Declaration. Any damages collected by the Association shall be distributed, first, to pay for all costs of enforcement, and secondly to the owners of the Units damaged by the violation pro rata. Notwithstanding the foregoing, if any Unit Owner fails to comply with the terms and conditions of this Declaration, and such failure continues beyond any applicable cure period, the Association shall have the right to cure on behalf of the Unit Owner and such Unit Owner shall promptly reimburse the Association for the cost thereof within ten (10) days after receipt of written demand

therefor. Alternatively, the Association may, at the option of the Association, levy such amounts against the Unit as a Special Assessment under Article VI.

ARTICLE XIV GENERAL

1. Utility Easements. The Declarant hereby reserves for the Association acting by and in the discretion of the Board of Directors, the rights to grant to the City of Monona and County of Dane or public or semipublic utility companies, easements and rights of way for the erection, construction and maintenance of all poles, wires, pipes and conduits for the transmission of electricity, gas, water, telephone and for other purposes, for sewers, stormwater drains, gas mains, water pipes and mains, and similar services and for performing any public or quasi public utility function that the Board of Directors may deem fit and proper for the improvement and benefit of the Condominium. Such easements and rights of way shall be confined, so far as possible in underground pipes or other conduits, with the necessary rights of ingress and egress and with the rights to do whatever may be necessary to carry out the purposes for which the easement is created.

2. Right of Entry. By acceptance of a Condominium Deed, each Unit Owner shall have granted a right of entry and access to its Unit to the Association to correct any condition originating in its Unit and threatening another Unit or the Common Elements, to install, alter or repair mechanical or electrical services or other Common Elements in its Unit or elsewhere in the Condominium, and to maintain and repair Common Elements and other areas as described in Section 7.04. Such entry shall be made with prior notice to the Unit Owners, and shall be scheduled for a time reasonably convenient to the Unit Owners, except in the case of an emergency when injury or property damage will result in delayed entry. Such entry shall be done with as little inconvenience to the Unit Owners as practical, and any damage caused thereby shall be repaired by the Association and treated as a Common Expense, except as allocable to an individual Unit or Units for cause in the discretion of the Board of Directors.

3. Notices. All notices and other documents required to be given by this Declaration or by the Bylaws of the Association shall be sufficient if given to one (1) registered owner of a Unit regardless of the number of owners who have an interest therein. Notices and other documents to be served upon Declarant shall be given to the agent for service of process specified in Section 14.06. All owners shall provide the secretary of the Association with an address for the mailing or service of any notice or other

documents and the secretary shall be deemed to have discharged his or her duty with respect to the giving of notice by mailing it or having it delivered personally to such address as is on file with him or her.

4. Severability. The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity or unenforceability of the remaining portion of said provision or of any other provision hereof.

5. Declarant Access During Construction of Improvements. During any period of construction of the Building and other improvements on the Property by the Declarant, the Declarant and its contractors, and subcontractors, and their respective agents and employees, shall have access to all Common Elements as may be required in connection with said construction and shall have easements for the installation and construction of the Building, improvements, utilities, driveways, parking areas, landscaping and other repairing or servicing of all or any part of the Condominium.

6. Agent for Service of Process. The Declarant shall be the resident agent for service of process in any action against the Association or brought under the Condominium Ownership Act. Service may be made upon the Declarant by serving

Mr. Jason Iverson

Madison, Wisconsin 53717

7. Board of Directors may at any time by duly-adopted resolution designate a successor resident agent for service of process. The designation of such person as agent shall become effective upon the execution and filing of a statement of change of registered agent with the Department of Financial Institutions as provided in the Condominium Ownership Act and the Wisconsin Nonstock Corporation Law.

8. Assignment of Declarant's Rights. The rights granted to the party named as "Declarant" in this Declaration may be assigned by a written, recorded instrument to any other party who assumes such rights, and, upon the recording of any such instrument, such assignee shall become, and succeed to all rights and powers granted to, "Declarant" under this Declaration.

10. Disclosure Regarding Construction. Declarant discloses that until and after Declarant has sold all of the Units, there will be construction activity in connection with the construction of Units which may lead to noise, construction traffic, dust and other conditions incident to construction. Every Unit Owner, including Declarant, shall use reasonable efforts to avoid and to cause its contractors to limit disruption to other Unit Owners during all periods of construction activity relating to the Unit owned by such Unit Owner.

11. Disclosure Regarding Warranties. The Declarant shall assign to the Association upon substantial completion of each phase of construction all warranties held by the Declarant and covering any construction of the Common Elements. No warranties or representations, express or implied, including, but not limited to, the implied warranty of fitness for a particular purpose and merchantability, are made by the Declarant to any Unit Owner or other person or entity regarding the past or future performance or quality of the Common Elements, including the Limited Common Elements. Any implied warranty of workmanlike performance and that the Building or other Common Elements, including the Limited Common Elements, are or will be reasonably adequate for use and occupancy, created by Section 706.10(7), Wisconsin Statutes, which statutory section creates the above-stated implied warranties, for the conveyance of a newly constructed home or condominium, is hereby expressly disclaimed and excluded. Any other implied warranties created by common law, including, without limitation, the Declarant's duty to perform all work in a good and sufficient workmanlike manner, are also disclaimed and excluded. Any claims by the Association against a contractor to recover damages resulting from construction defects in any of the Common Elements or Limited Common Elements shall be subject to the provisions of Section 895.07, Wis. Stats.
