## Metro Madison

Madison is the state capital of Wisconsin with a metro population of about 681,000, making it the second largest city in the state. Madison is a medical and technology hub, home to companies such as Epic Systems, Google, Microsoft, Alliant Energy and more. The city consistently ranks near the top of best-places lists with its vibrant economy and low unemployment.

Madison is also home to the University of Wisconsin—Madison, the state's flagship university. The University of Wisconsin - Madison's main campus neighbors the Capitol building with its 50,000 student body. Within the campus sits Camp Randall Stadium, home to UW's football team. With a seating capacity of 80,321, Camp Randall ranks among the nation's largest school-owned stadiums.

In recent years, Madison has boasted the highest number of PhDs per capita and third highest college graduates per capita, according to Forbes magazine, enhancing the already plentiful labor pool.

The city is able to attract top-notch talent through a true live, work, play mantra. Downtown Madison is centered around the State Capitol building with the surrounding neighborhood home to upscale retailers, corporate offices, luxury apartments and condos, and some of the finest dining options in the state.
