# Lake Monona Waterfront Master Plan

<https://www.sasaki.com/projects/lake-monona-waterfront-master-plan/>

# John Nolen Drive Reconstruction project.

A number of exciting improvements are being considered, including:

- Reconstruction of six bridges along the causeway
- Lane configuration and cross section changes
- Expansion of the existing path to separate bike path and pedestrian facilities
- Shoreline reconstruction along Lake Monona
- Pedestrian and bike underpass between North Shore Drive and Broom Street
- Reconstruction of storm sewer
- Traffic signals and street lighting
- Others to be determined through public involvement process
