Description

This dynamic project blends modern sustainability with historic character and features:

- Prominent East Washington Avenue frontage
- 206 luxury apartment units
- LEED certification
- Exceptional visibility and abundant natural light
- Green roofs designed for stormwater management
- Hybrid mass timber tower construction
- Sustainable, energy-efficient design

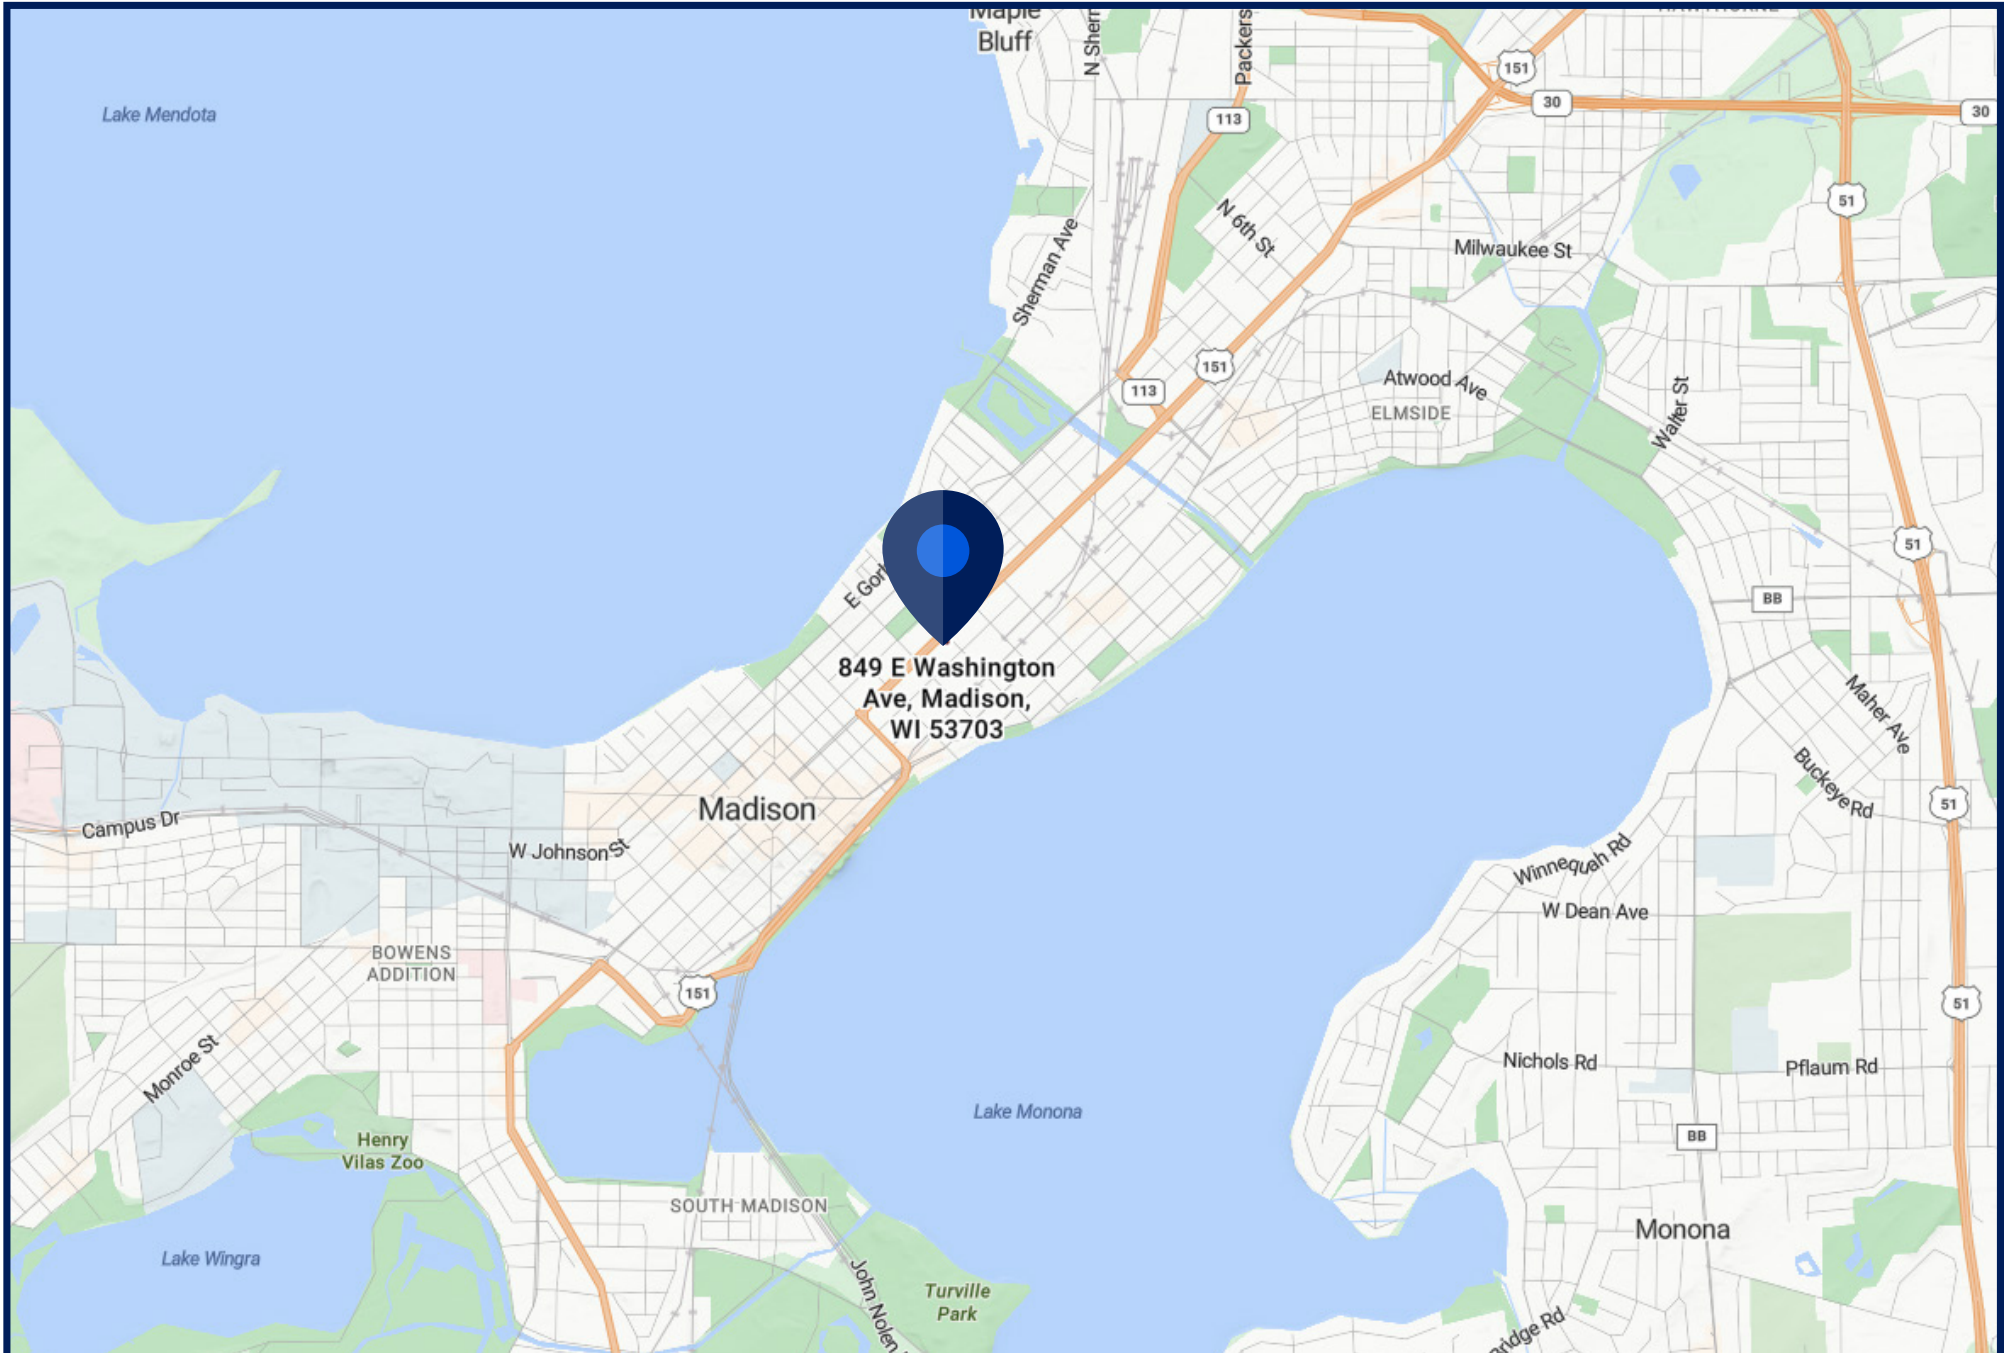

Bakers Place introduces a modern mixed-use destination that blends new construction with the character of downtown Madison

Retail and commercial opportunities range from 727 SF to 3,312 SF, offering flexible options to launch or grow your business.

Additional lower-level space is available beneath Suite #2b (see floor plan for details)
